*From the editor.... concerning changing the First Impressions Newsletters from monthly to quarterly...*

The calendar is a concern for many and if time allows, a monthly calendar will be available on the bulletin table at the beginning of each month. I will utilize the other side for the monthly volunteer ministry schedules, along with the birthdays and anniversaries.

If you would like to help cut cost by receiving your newsletter online, please contact the office at [aurorabaptist@aurorabaptist.org](mailto:aurorabaptist@aurorabaptist.org) or call at 926-1900. This is in a PDF format listed by pages. These pages can be easily pulled up and read on our website at [aurorabaptist.org](http://aurorabaptist.org).

If you receive the newsletter and would rather not, please send a courtesy email or call to remove your name from our mailing list.

The goal is to give our readers an uplifting newsletter with current information about the upcoming worship and ministry opportunities. Suggestions are always appreciated.
